Connecting communities through food, farms & education

Greener Partners Summer Teen Leadership Interns

We are hiring summer interns! Join our team of urban gardeners, educators and community outreach workers to bring more fruits & vegetables and gardens to Belmont.

This is a great job if you like to be outside, care about the community & the environment, and want to learn and share what you know! Interns that love this internship don't mind getting dirty, see a glass half-full (not half-empty) and are rising 9th-12th graders and live or go to school in the 19103 or 19104.

The intern job is from July 12th - August 20th, 16 hours/week. Work days/times are M, T, F 9-2 (plus one hour to be determined). Pay is \$9/hour.

Interns will:

- Learn about growing food, flowers, and herbs
- Take care of gardens at schools and community spaces
- Help lead no-cost fruit & vegetable distributions
- Talk about justice and equity with other teens & community members
- Harvest and cook lunch together
- Co-lead gardening and cooking workshops
- Build garden beds for community residents
- Strengthen communication and leadership skills
- Connect with other teens involved in urban farming and leadership work
- Participate in program evaluation

Plus there is the opportunity to continue during the school year.

Interviews will take place virtually, and the internships will be in-person, mostly in outdoor locations around the Belmont community.

How to Apply:

- Email Jonathan.Hamm@greenerpartners.org:
 - Your full name, birthdate, and contact info for best way to reach you (email or phone to text)
 - Confirm that you live or go to school in 19103 or 19104 in Philadelphia
 - A paragraph about why you are interested in this position and a little about you

- List any work experience or other experience you think is relevant (gardening, work with youth or seniors)
- Include a resume if you have one
- Confirm that you can be available July 12th - August 20th
- **Apply by June 18h**
